

## Pies...

**At The Sweetpea Kitchen we are mad about our pies!**

All our pies are handmade here in the Sweetpea Kitchen - using handmade butter pastry and filled with local, free-range meat, farmed within 15 miles of the restaurant. It's a proper pie... And just how pies should be!

This time we've gone for a bit more of a summer/spring feel...

**Chicken, tarragon & mushroom**

**Lamb, feta & roasted Mediterranean vegetable**

**Beef, tomato & basil**

**Feta, Mediterranean vegetable & chickpea (V)**

All Served with thick cut chips or Maris Piper mash, roasted seasonal veg & gravy.  
All our gravy is vegetarian.

**20.50**

**(V)** Vegetarian      **(AVG)** Ask for Vegan option

On ordering, please state all allergies. Gluten-free & vegan alternatives are available on request. Please note during busy times we will be unable to make any changes, swaps, or substitutions. A 10% optional service charge will also be added to your bill.

*(All of our menus are printed using paper made from recycled coffee grounds)*
